

# AMERICAN SPACE MOVIE NIGHT

**in TTÜ Mektory  
Raja 15-032**

**June 13 at 3 pm**

Using the latest technology and research, **Big Cats** (BBC, 58 min) uncovers the secret lives of these elusive felines to bring these animal superstars out of the shadows.

Scientists are studying cats in more detail than ever before, and what they are discovering is truly groundbreaking.

The movie screens in English. The screening is free of charge.
