of Excellence

Elektroenergeetika ja mehhatroonika instituut

Estonian Centre of Excellence in Zero Energy and Resource
Efficient Smart Buildings and Districts

Seminar:

Uued jõuelektroonika süsteemid liginullenergiahoonetele

05.12.2018

Koht: «NRG-430», Energeetika maja, Ehitajate tee 5, 19086, Tallinn.

Programm

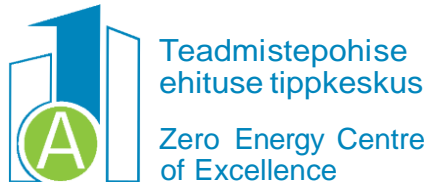

- 10:00 – 10:05 Avakõne (*Andrei Blinov, TalTech*)
- 10:05 – 11:00 Energiaruuteri kontsept liginullenergiahoonetele (*Ph.D. Indrek Roasto, TalTech*)
- 11:00 – 11:10 Paus
- 11:10 – 12:00: Kodumajapidamistele mõeldud akusalvestussüsteemid (*Ph.D. Andrei Blinov, TalTech*)
- 12:00 – 13:00 Seadmete demonstratsioon laboratooriumis NRG-102

Registreerimine:

Andrei Blinov
e-mail: andrei.blinov@taltech.ee
tähtaeg: 21. november 2018

Kontakt:

Andrei Blinov, Vanemteadur, TUT

Seminar:

Emerging Power Electronic Systems for Nearly-Zero-Energy Buildings

05.12.2018

Place: «NRG-430», Energeetika maja, Ehitajate tee 5, 19086, Tallinn.

Program

10:00 – 10:05	Opening (<i>Andrei Blinov, TalTech</i>)
10:05 – 11:00	Energy router concept for nZEB (<i>Ph.D. Indrek Roasto, TalTech</i>)
11:00 – 11:10	Break
11:10 – 12:00:	Residential battery energy storage systems (<i>Ph.D. Andrei Blinov, TalTech</i>)
12:00 – 13:00	Demonstration in of the prototypes in the laboratoty NRG-102

Registration:

Andrei Blinov
e-mail: andrei.blinov@taltech.ee
deadline: 21 November 2018
