Innovaccess.eu portaal

Kogub enda alla erinevaid IO tööriistu üle terve Euroopa

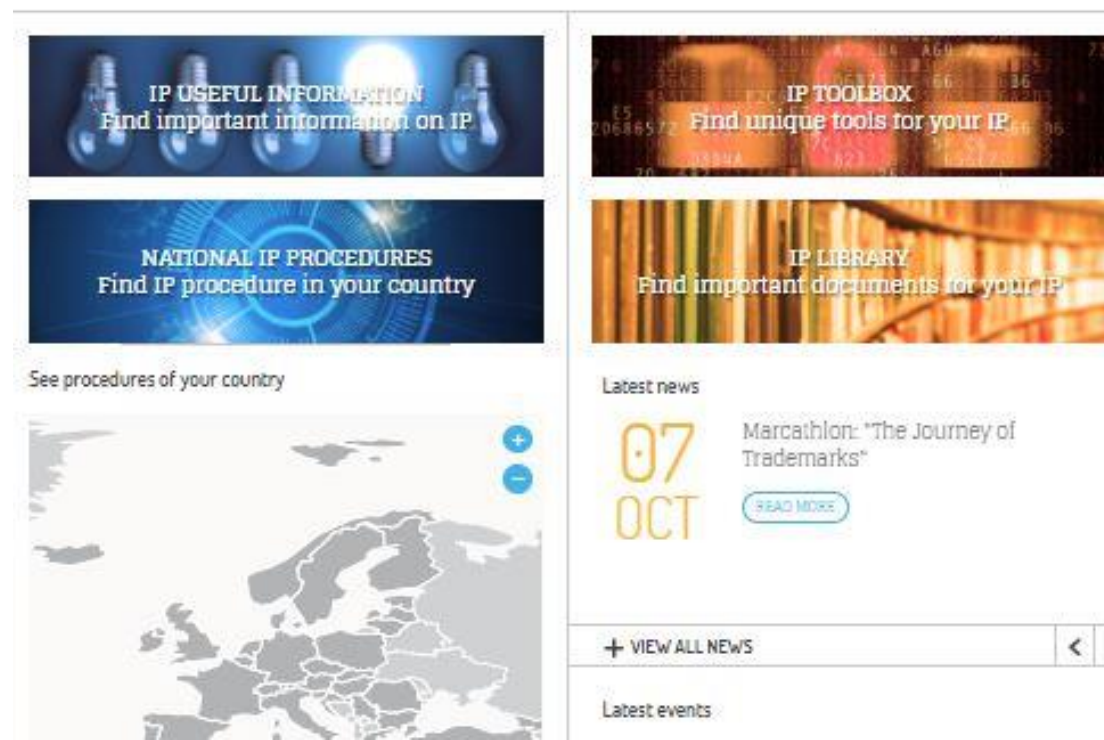

Annab ülevaate erinevatest avalikest IO seminaridest ja webinaridest

On kõigile huvilistele tasuta, kuid nõuab registreerimist

INNOVACCESS portal managed by the EU VIP4SME network helps companies and mainly SMEs to recognize the importance of Intellectual Property (IP) and helps them to turn intellectual capital into commercial values and competitiveness.

The portal helps to protect IP rights and to understand IP security rules.

IP Toolbox

IP Toolbox koondab enda alla erinevad Euroopa Liidus loodud intellektuaalomandi materjalid

IP Toolbox annab ligipääsu:

- erinevatele juhenditele
- abivahenditele
- programmidele
- ning interaktiivsetele materjalidele

IP Toolbox aitab ettevõtetel enda intellektuaalomandit paremini juhtida ja kaitsta

The screenshot shows the 'IP Toolbox' page on the 'Innovaccess - Intellectual Property Portal'. The page features a navigation menu with 'VIPASME PROJECT', 'SERVICES', 'NEWS', 'EVENTS', 'PRESS ROOM', and 'CONTACT'. A search bar is located at the top right, and a 'USER PROFILE' button is in the top right corner. The main content area is titled 'Toolbox' and includes a brief description: 'The toolbox hosts different Intellectual Property (IP) tools useful for SMEs, IP intermediaries and IP actors.' Below this is a blue briefcase icon and a message: 'Please login to *User profile* to access all IP tools.' A search bar with the placeholder 'Search in the toolbox' is positioned above a filter section. The filter section includes dropdown menus for 'Tool format', 'Expertise level', 'Suitable use', and 'Language', along with a 'Reset filters' button. The main content area displays a grid of tool cards. Each card features a smartphone icon with code symbols, a title, and a description. The tools shown are: 'CEO' (Added by Spanish Patents and Trademark Office (SPTO)), 'DESIGNS' (Added by Spanish Patents and Trademark Office (SPTO)), 'INVENES' (Added by SPTO), 'EVLIA IA valorisation service' (ZIP icon), 'IP PREDIAGNOSIS - SELF-EVALUATION TEST (Italian)' (Smartphone icon), and 'IP Panorama' (Smartphone icon). Each card also has a 'WEBAPP' label and icons for settings, information, and a list.

Avalikud üritused

Innovaccess portaal annab lisaks ülevaate erinevatest Euroopa Liidus toimuvatest intellektuaalomandi seminaridest ja webinaridest, millest enamikud on huvilistele tasuta

The screenshot shows the Innovaccess - Intellectual Property Portal website. At the top, there is a navigation bar with buttons for 'VIP4SME PROJECT', 'SERVICES', 'NEWS', 'EVENTS', 'PRESS ROOM', and 'CONTACT'. A 'USER PROFILE' button with a person icon is in the top right corner. Below the navigation bar, the 'Events' section is displayed. It features a blue icon of a crown with dots, representing an event. The text below the icon reads: 'Please select from our offer an event which suits the best your needs - conferences, (brand) courses, programs, seminars, (online) training, workshop - related to the Intellectual Property protection taking place in Europe and neighboring countries. Learn from the best teachers how to set up an effective IP management strategy for your company and how to realize a valuation of your intellectual capital.' Below this text, there is a search bar with the placeholder text 'Search in the news & events' and a magnifying glass icon. To the left of the search bar, there are tabs for 'ALL', 'NEWS', 'PUBLIC EVENTS' (which is highlighted), and 'VIP4SME EVENTS'. To the right of the search bar, there are two dropdown menus: 'Choose target group' and 'Choose a country', followed by a text input field containing 'mm/j/aaaa'. Below the search and filter options, there is a list of events. The first event is 'Internship for patent professionals' with the dates '19 SEP 2017' and '06 OCT 2017'. The event title is 'Praktika Intern 2017 - working with examiners'. The location is listed as 'European Patent Academy' and 'The Hague'. A 'READ MORE' button is visible to the right of the event details. Below the event title, there is a brief description: 'The Praktika intern programme is designed for professional representatives working in private practice or industry with experience in drafting and prosecuting European patent applications. It is an international programme organised and co-ordinated by the European Patent Academy, and it aims to promote equal access to education and training opportunities in the field of European and international patent law and practice across all current and future contracting states of the European Patent Convention (EPC). Interns spend three weeks in Directorate-General 1 (DG 1), which is responsible for search, examination and opposition. They have the opportunity to work on actual case files and run prior-art searches. Each intern is looked after by one or more examiners, who explain step by step how DG 1 operates.'

Intellektuaalomandi abimaterjalid

Lisaks eelnevale on Innovaccess portaalis mitmed õppematerjalid, mis selgitavad intellektuaalomandi strateegiaid ning erinevate kaitseprotsesside põhimõtteid

The screenshot shows the Innovaccess Intellectual Property Portal. At the top, there is a navigation bar with a hamburger menu icon, the text "Innovaccess - Intellectual Property Portal", a "USER PROFILE" button with a person icon, and a search icon. Below this is a secondary navigation bar with buttons for "VIP4SME PROJECT", "SERVICES", "NEWS", "EVENTS", "PRESS ROOM", and "CONTACT". The main content area features a large heading "Intellectual Property Management" with a sub-heading "Managing IP" and a description: "Define an IP strategy and manage your IP portfolio and collaborations." To the left of this text is a blue icon of a document with a magnifying glass. Below the main heading is a horizontal menu with three items: "Intellectual Property Strategies" (highlighted in orange), "Managing IP", and "Intellectual Property Licensing". The main content area is titled "Different Strategies of IP" and contains a section titled "Protection of commercial interests" with a dropdown arrow. The text in this section explains that protection of commercial interests is the first use of IP envisaged by business, providing guarantees for the exclusive use of various technical elements. It also lists examples of IP misuse, such as copying of protected assets and counterfeiting. On the right side of the page, there is a sidebar with a "Best practices" section featuring a blue arrow icon with a thumbs-up, and a "Latest news and events" section with a large "19 SEP" date and the text "Praktika Intern 2017 - working with examiners" and a "READ MORE" button.

Protection of commercial interests

Protection of commercial interests is the first uses of IP envisaged by business: Intellectual property brings guarantees for the exclusive use of various technical elements such as industrial products, medicines, communication processes, technological products etc.

These guarantees allow prevention and suppression of various kinds of IP misuse such as:

- Copying of protected assets
- Counterfeiting
